Booking Instructions

If you are interested in booking a site for any amount of time, please call or email the office to speak with Alix, **613-335-5403** or **arden@csranch.ca**. She would be happy to inform you on availability and answer any of your questions. To confirm your booking, you will need to complete a guest contract and submit a \$50 deposit.

Renters interested in the seasonal booking are invited to visit the Ranch in April (or whenever the snow is gone) to select their site. The sites will still be a work-in-progress, but it is to give you a better idea of what you are booking. We will be doing everything we can to get the sites ready for June 1st.
